Chapter 13. Organizational Communication1

Organizational analysis or more commonly Industrial analysis is the process of reviewing the development, work environment, personnel, and operation of a business or another type of association. This review is often performed in response to crisis, but may also be carried out as part of a demonstration project, in the process of taking a ...

Organizational analysis - Wikipedia

Resilient organizations thrive despite experiencing conditions that are surprising, uncertain, often adverse, and usually unstable. We propose that an organization's capacity for resilience is developed through strategically managing human resources to create competencies among core employees, that when aggregated at the organizational level ...
