The Middle East, Old and New IN 1902, Theodor HERZL, the father of political Zionism, published a Utopian novel entitled Altneuland (Old-New Land). The story is set in Palestine in the distant future of 1923, by which time a "New Society" has been established through the mass return of the Jews. The "New Society" is a cosmopolitan commonwealth, far beyond nationalism. There is no official lan ...

That middle powers are those that practice middle power internationalism, and that middle power internationalism describes the behaviour of middle powers is a tautology. The behavioural model cannot define middle powers objectively because its list of middle power behavioural characteristics is neither the same across the literature, nor tangibly measurable. In fact, the list often appears to ...
