

### **problems of high stakes pdf**

A high-stakes test is a test with important consequences for the test taker. Passing has important benefits, such as a high school diploma, a scholarship, or a license to practice a profession.

### **High-stakes testing - Wikipedia**

Tests are called "high-stakes" when they used to make major decisions about a student, such as high school graduation or grade promotion. To be high stakes, a test has to be very important in the decision process or be able to override other information (for example, a student does not graduate if s/he does not pass the test regardless of how ...

How to use evaluations, assessments and tests to determine child's needs and measure educational progress. To make decisions about a child's eligibility and special education services in the IEP, parents and teachers need objective information about the child's disability, strengths, weaknesses, and needs from tests and evaluations of the child.
