College of Health and Human Services. Program Description. The Bachelor of Science in Recreation Administration provides students with the skills to manage people, programs, and events in a variety of recreational settings that include city parks and recreation programs, state and national parklands, hotels, playgrounds, forests, beaches ...

Recreation, Parks, and Tourism Administration

You don't have to be a health professional or deliver health services to have a positive impact on the health of the community you serve. The CVS Health Network supports and informs organisations and individuals who engage with the community and who are therefore well placed to cascade opportunities, news, training and resources.
