### **(PDF) Student Involvement: A Development Theory for Higher**

Student Involvement: A Developmental Theory for Higher Education Alexander W. Astin A student development theory based on student involvement is presented and described, and the implications for practice and research are discussed. Even a casual reading of the extensive literature on student development in higher education can create confusion and perplexity. One finds not only that the ...

### **Student Involvement: A Developmental Theory for Higher**

For this week I read "Student Involvement: A Developmental Theory of Higher Education" an article by Alexander W. Astin, who argues for the importance of student involvement or "the amount of physical and psychological energy that the student devotes to the academic experience" to student success. Alternate theories include the Subject Matter Theory and the Research Theory, both of ...
